## Professional Experience

### **Boston University Henry H. Goldman School of Dental Medicine, Boston, MA 2019–Present**

#### **Communications, Web and Graphic Designer**

Responsibilities include concept, information design, layout, typography, illustration, photography and branding for the GSDM website, social media, print magazines, books and collateral materials. Overseeing the production of biannual alumni relations magazine. Project Management duties including managing website updates and analytics, managing an outside graphic design consultant.

### **Beth Motta Design and Marketing, Somerset, MA 2014–2019**

#### **UI/UX Front End Developer**

Responsible for designing and developing client websites. Designed wireframes, mockups and oversaw final implementation. Developed websites using the WordPress CMS with HTML, CSS, SASS, JavaScript and PHP. Interacted with clients, managed projects and worked with other designers and developers. Provided freelance services including illustration and photography for in-house collateral and clients. Clients include Hudson Transportation Association, Baxter's Fine Jewelry and Bohan Contracting.

### **Freelance Graphic Design, [andrewadamides.org](http://andrewadamides.org)**

Coordinated all design projects from conception to production including print media and web projects. Constructed brand systems, print collateral including brochures, magazines and books. Designed and developed websites using the WordPress CMS, tracked analytics and provided search engine optimization services. Clients include Mansfield Mural Committee, Woonsocket Autism Benefit and John Tschirch.

### **Freelance Photographer, [instagram.com/andrewadamides](https://www.instagram.com/andrewadamides)**

Provided photography services for clients including wedding photography, on-location shoots, product photography, fashion photography and art photography. Setup and take down of lighting equipment and photo booths for events. Print and web services for photographs and galleries including social media and portfolio curation. Clients include American Cancer Society and Massachusetts Audubon Society. Weddings including the Ieronimo family, Beaucage family, Couture family and Quimby family.

## Teaching Experience

### **Bristol Community College, Fall River, MA 2013–2019**

#### **Art Department, Guest Lecturer**

Instructed art and design students in various animation, graphic design and web design courses. Lead classes in topics including Web Design I, II and Advanced Web, Character Animation, Motion Graphics, Two Dimensional Design II and guest critiqued Graphic Design I and II. Instructed students in various software packages including the Adobe Creative Cloud and Final Cut Pro. Created department website to showcase information for prospective students, student resources and featured profiles.

#### **Adult Education, Technology Coordinator and Digital Literacy Instructor**

Designed curriculum for adult learners aligned to the NorthStar Digital Literacy standard. Incorporated digital technology with college and career skills and created lectures, syllabi and assignments to be used by multiple instructors. Educated adult learners in basic computer skills, Microsoft Office skills and college and career skills. Attended yearly education conference, *Network* and explored technical and social topics for ensuring student success.

#### **Information Technology, Technical Assistant I**

Administered computer labs for Art and Design students. Duties included setup and management of Macintosh computers, studio lighting equipment, cameras, peripherals and software deployment. Created and lead training sessions designed to instruct students, faculty and staff in using enterprise hardware and software. Provided in person, email and telephone support to users, including one day each week where I singlehandedly represented the entire department to five campuses. Educated students, faculty and staff in software including macOS, Windows, Office 365, Adobe Creative Cloud and Final Cut Pro.
